Withholding tax. Every registered taxpayer is obliged to withhold 10% on all payments aggregating more than US\$1000 or more made under contract to a payee without tax clearance (ITF 263). The tax withheld and the return (form 5) is due on or before the 10th of the month following that of withholding. Note that there is no need to withhold tax if the payee is not a resident of Zimbabwe or if the payee is a foreign company. The following circumstances:

- Payment under contract of employment
- Sale in any shop in ordinary course of business in which case the seller is in business and the buyer is not.
- Payment to the state

NB. A) All payments after the due dates attract penalty and interest at prescribed rates.
B) You are required to submit returns on or before due dates even if you are not trading.

Yours faithfully
